Re: Georgia Open Records Request; Matter# 26-47634-19
Re: ...requesting to inspect or obtain copies unsolved homicide

Dear Laurah Norton:

Thank you for your request to review county records. On May 07, 2019, I received your Open Records Act request for the following documents or records:

"I am requesting an opportunity to inspect or obtain copies of public records that pertain to the unsolved homicide of Gregory Montgomery, APD case #: 7ACH185, on or about November 20, 1987. The case was transferred to Dekalb LE.

After reviewing your request, it has been determined that the DeKalb County Police Department **does not** have any documents that are responsive to your request.

Though we believe that the DeKalb County Police Department has no documents that are responsive to your request, please note that the County and its officials and departments do not produce documents or records that are protected by the attorney-client privilege or the attorney work product doctrine under Georgia or federal law or that are otherwise exempt from production under the Georgia Open Records Act. The County expressly reserves and does not waive any statutory exemptions from disclosure provided by O.C. G.A. § 50-18-72, et seq. and other applicable laws.

Sincerely,

Leslie Finch
